

# Fuzhou Riway

B R O C H U R E

Massage products

We are engaged in the manufacture of electronic health care goods and fitness products. Some products have attained international certification, such as CE, CB, ETL and RoHS.

Most of them have been exported to America, Canada, Europe, Southeast Asia, the Middle East and South America. We have professional development group and effective quality checking & control system.as well as a well-organized network for sales and after-sale services.

We focus on the quality of products in every procedure from design and development to production and sale.

# — Workshop Show —

## Strict standards

Products have passed pressure test, charge and discharge times tests and aging test.

## After sale service

Perfect quality inspection system, professional after-sale team and constantly deepen the market to improve the service.

## R&D Team

30+ people R&D team, Innovation is the primary productivity of our company.

## Rich experience on OEM

OEM experience over 10 years, export to 30+ countries in the world.

Model:R8

Dimension:140\*73\*97cm

Package:115\*75\*101 cm

G.W/N.W:65KG/60KG

\$218/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:R6

Dimension:140\*71\*110cm

Package:117\*74\*101 cm

G.W/N.W:62KG/52KG

\$238/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:R5H

Dimension:145\*75\*101cm

Package:115\*76\*102cm

G.W/N.W:62KG/58KG

\$238/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:R9

Dimension:143\*73\*100cm

Package:120\*74\*100 cm

G.W/N.W:65KG/60KG

\$242/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:P7

Dimension:141\*74\*105cm

Package:112\*75\*104 cm

G.W/N.W:68KG/55KG

\$248/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:P6

Dimension:141\*74\*105cm

Package:107\*75\*105 cm

G.W/N.W:65KG/53KG

\$248/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:P8

Dimension:141\*74\*105cm

Package:112\*75\*104 cm

G.W/N.W:68KG/55KG

\$248/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress

Dimension:168\*76\*145cm

Package:134\*78\*109cm

G.W/N.W:82KG/72KG

\$366/unit

- Zero gravity
- Whole body airbag
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Foot roller massage
- Automatic/manual massage program

Model:P80

Dimension:140\*74\*109cm

Package:120\*73\*106cm

G.W/N.W:100KG/80KG

\$468/unit

- SL track rail
- Zero gravity
- Intelligent body scan
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Intelligent flexible manipulator
- Automatic/manual massage program
- Fantasy atmosphere lamp

Model::R500

Dimension:145\*75\*108cm

Package: 129\*75\*111cm

G.W/N.W:93KG/77KG

\$488/unit

- SL track rail
- Zero gravity
- Intelligent body scan
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Intelligent flexible manipulator
- Automatic/manual massage program
- Fantasy atmosphere lamp

Model::R500A

Dimension:145\*75\*108cm

Package:129\*75\*111cm

G.W/N.W:93KG/77KG

\$488/unit

- SL track rail
- Zero gravity
- Intelligent body scan
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Intelligent flexible manipulator
- Automatic/manual massage program
- Fantasy atmosphere lamp

Model:R888

Dimension:158\*76\*107cm

Package: 134\*78\*109cm

G.W/N.W:100KG/80KG

\$498/unit

- SL track rail
- Zero gravity
- Intelligent body scan
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Intelligent flexible manipulator
- Automatic/manual massage program
- Fantasy atmosphere lamp

Model:V6

Dimension:158\*76\*107cm

Package: 134\*78\*109cm

G.W/N.W:100KG/80KG

\$538/unit

- SL track rail
- Zero gravity
- Intelligent body scan
- HI-FI bluetooth music
- Intelligent heating compress
- LED display remote control
- Intelligent flexible manipulator
- Automatic/manual massage program
- Fantasy atmosphere lamp

Model:R7610

Dimension:155\*75\*116cm

Package:157\*87\*114cm

G.W/N.W:116KG/98KG

\$538/unit

- Knob controller on the armrest and a big screen touch sense controller.
- Amazing appearance design with LED mood lamp.
- AI voice control to use it freely.
- SL tracks supply long massage area.
- Humand hand simulated mechanism with multiples massage techniques.supply kneading, tapping, finger pressing, knead & tapping from Neck to thighs.
- Body scanning to supply the most comfortable massage.
- Play music with dual HIFI bluetooth speakers.
- Air pressure massage for shoulders, calves, arms, feet. ?
- Heating at back.
- Zero gravity lifting system.
- Footrest can extend by feet pressing down.

Model:R9220

Dimension:155\*75\*116cm

Package:157\*87\*114cm

G.W/N.W:116KG/98KG

\$568/unit

- Knob controller on the armrest and a big screen touch sense controller.
- Amazing appearance design with LED mood lamp.
- AI voice control to use it freely.
- SL tracks supply long massage area.
- Humand hand simulated mechanism with multiples massage techniques.supply kneading, tapping, finger pressing, knead & tapping from Neck to thighs.
